

*Need A Rugged PC Built For Hostile Environments?
We've Put Our Finger On It.*

Paragon™ III

*A True Washdown Touchscreen Computer
For Industrial Use*

PRECISION
SOLUTIONS, INC.

Paragon™ III Industrial Touch Screen Computer

Features

- Touch screen operator interface for hostile environments
- Rugged, heavy gauge stainless steel construction
- Superior watertight design
- Pentium® III processor
- Unique cable entry system allows easy installation of cables with no need to cut off and re-splice connectors
- Easy external access to PS/2 style keyboard connector
- Versatile swivel mounting bracket
- Advanced, reliable single-board computer design
- Internal 3.5" 1.44 MB floppy diskette drive
- Ethernet network and multiple com port interfaces
- Supports popular operating systems: Microsoft® Windows NT®, Windows® 98, Windows® 2000

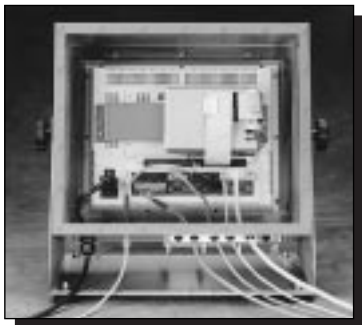

Universal mounting bracket makes tabletop, wall, or ceiling mounting simple.
